**PIONEER INTERNATIONAL
SCHOOL, SONKATCH**

CBSE AFFILIATED SCHOOL (Affiliation No. 1031100)

Where Learning Begins....

Pioneer Group

20 + Years of Diligence & Excellence in Education

Pioneer Group was established in 1996. The group is a renowned name in providing quality from KG to PG. Pioneer Group is run and managed by highly qualified and experienced professionals having domain experience in the field of Education and Industry.

Pioneer Group is determined to bring out the best in all students by acceding them to explore their full potential, resulting in a confident, committed and a successful individual. The group runs with an objective to meet the widely felt need for globally oriented citizens in the field of Education & Technology. During this span of existence, the Group has earned a reputation as one of the premier Institutes of India.

Pioneer Institute of Professional Studies

Pioneer Institute of Professional Studies, is one of the Private Institute of Madhya Pradesh to achieve Highest Educational Accreditation with status of 'College with Potential for Excellence' and Autonomous Status from UGC; having Accreditation by NAAC, Bangalore. Established in 1996, with a vision of "Diligence & Excellence", the Institute has established an identity for its Under Graduate and Post Graduate Programs, Certificate Courses, Diploma Courses, Academic Research, Teaching and Developmental Activities, National & International Conferences. The Institute is accorded permanent affiliation by Devi Ahilya University (DAVV) Indore. The Institute is AICTE Approved; has NSS Unit; is a Research Center for Ph.D. in Management; having placement in Top Fortune 500 Companies and Institutional Membership of various reputed bodies.

Pioneer Convent

The group established CBSE Affiliated School Pioneer Convent in 1999 for imparting value-based education. The school is in the heart of Indore city at Mahalaxmi Nagar. Surrounded by more than 2500 trees, the school gives every child a healthy and natural environment to learn and play. We at Pioneer believe that education is not merely class room teaching; it is to connect every child with 'values' we ensure to develop every child so that they become a good citizen of India and a good human being. The cozy,

convenient, hygienic, eco-friendly and vibrant campus at Pioneer is designed, keeping child's safety and health in mind. It is a place where each child feels free to express, play with colors, observe, experiment, analyze, read, write, dance and sing. We celebrate festivals and events to highlight the culture diversity of our country. We believe in 'correct usage' of technology and therefore we have 'smart classes' for our innovative techniques which are carefully crafted & delivered through experienced and trained teachers.

Pioneer Public School

The Group established MPBSE Affiliated School in 2017 named as "Pioneer Public School" for imparting value-based education. The school is giving every child a healthy and natural environment to learn and play. The cozy, convenient, hygienic, eco-friendly and vibrant campus as Pioneer is designed keeping child's safety and health in mind. The School offers: Highest Quality Education with Modern Infrastructure at an Affordable Fee Structure.

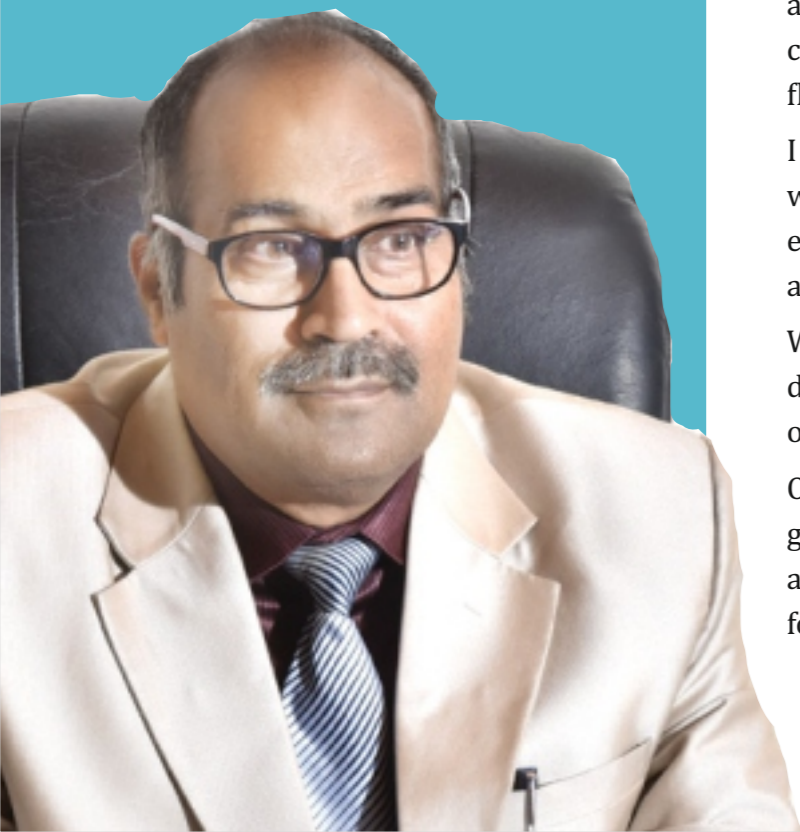

Pioneer Sports Complex

Pioneer Sports Complex boasts a large ground for its outdoor sports activities. Our campus is well maintained and well organized. Our emphasis is on development of physical skills, nurturing social and emotional skills. The sports program includes sports such as Basketball, Cricket, Handball, Volley Ball, Football etc. The students also enjoy indoor sports such as Yoga, Table Tennis, Badminton & Rifle Shooting.

Message

Dr. CA Pramod Kumar Jain
FCA, MBA, Ph.D., PGDHRM, PGDBM
Group Chairman

At Pioneer we are committed to provide state of the art facilities to the children along with quality education. We believe in character building along with value-based education.

I am very fortunate to have and to work with dedicated, innovative and caring Team of Staff Members.

Each day is filled with new experiences, learning for all, and a chance to continuously broaden our horizons. It always gives me great pleasure to see smiling faces of children and I admit that the school is bright and flourishing because of its Students and happy Members.

I am delighted to present Pioneer International School with an aim to provide quality education, with an excellent infrastructure, dedicated teachers and I assure you quality education a par with big cities.

We at Pioneer International School believe in overall development of child and for that we are concentrating on quality of education as well as on all-round growth.

Our curriculum and practices are constantly revised to guarantee that we are following the most rationalized and the best practices, meeting all guidelines, and focusing on the future needs of our students.

The aim of education is to develop new frontiers of the subject and to extend the boundaries further to support human pursuits in that direction. It aims to the well-being of self as well as that of the society.

We believe in an elated and observed learning system wherein, each child is encouraged to join passionately.

Improvement of moral, ethical, spiritual values, systems and skills are some of the results of education. The curriculum is more need oriented, involving lot of activities rather than the traditional methods as the method of giving instruction. Studies is fun with Smart Classes.

Also, all the Activities conducted, whether Art and Craft, Sports, Indoor and Outdoor Games, Dance, Music - Fuel Emotional, Social, Intellectual, Physical and Ethical Development.

We insist our students to be always modest, humble and self-controlled, while being ready to expand the prospects of their acquaintance and skills by visualizing big and working hard.

Message

Dr. CA Prashant Jain
M.Com. (F&T), FCA, DISA (ICAI), Ph.D.
Executive Director & Secretary

School education lays the foundation for the future of the student and ensures a stable, successful and satisfied life. Pioneer International School is well aware of the importance and significance of the different stages of the student's life. Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership, the more the child benefits.

The approaches to learning is child centric, encouraging Activity based learning and inculcating a scientific temper and a spirit of free enquiry. Upgraded Teaching Methodology such as ROBO and Smart Classes have been initiated by the school which helps students learn things easily while having fun.

The Class size is kept small so that teachers can focus equally on each student and bring all students at par. The School also hold a huge infrastructure which includes well equipped labs, knowledge centric library and a huge playground offering various indoor and outdoor activities to boost the hidden talents.

I believe in upholding high standards with an absolute commitment to strive, to understand and improve the educational process, using team strategies, while wholly centering on student achievement. A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create this school as a child-centric school.

Message

Dr. Mona Tawar
M.A. (English), MBA, Ph.D.
Principal-Pioneer International School

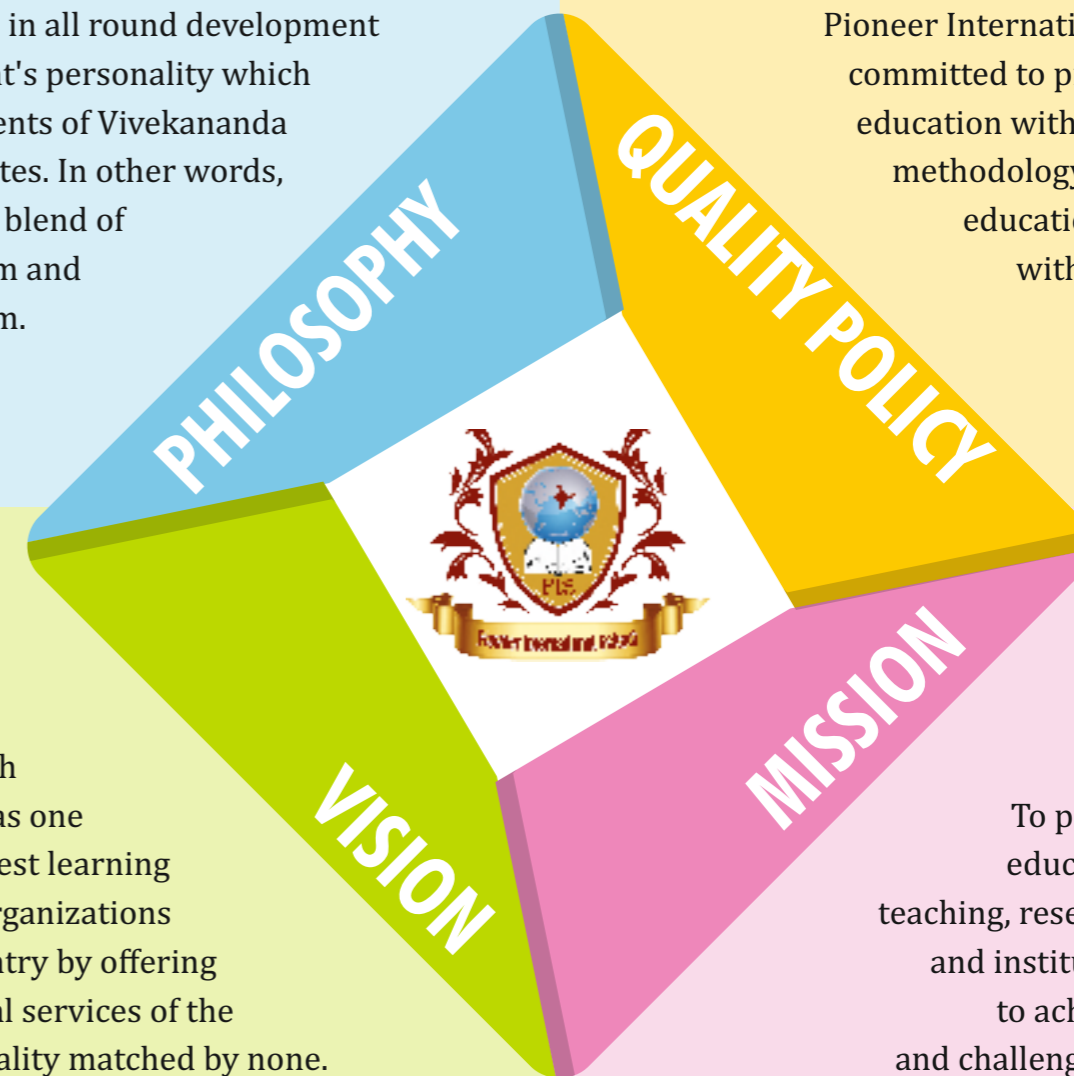

We believe in all round development of a student's personality which has rudiments of Vivekananda and Bill Gates. In other words, we make a blend of materialism and spiritualism.

To establish ourselves as one of the biggest learning solution organizations of the country by offering educational services of the highest quality matched by none.

Pioneer International School is committed to provide quality education with best learning methodology and advance education techniques with participative management system.

To professionalize education through teaching, research, training and institution building to achieve dynamic and challenging positions.

The Pioneerian Way of Learning

The effective use of technology in teaching and learning has changed the face of education. In the world that we currently live in, technology is a significant factor. Technology is made useful in the Classroom, which is very beneficial in helping the students understand and absorb what they are being taught. With ultra-modern technique and value based education system, we develop the ward for smart world with talking robots and advanced tab.

Value Based Education

School is embedded with curriculum and teaching that makes students academically more diligent. This results in peaceful environment, better student-teacher relationships, student wellbeing, promotion of ethics and high interpersonal behavior along with high educational standards and outcomes.

High Quality Teaching

High Quality Teaching is maintained through Infrastructure, Quality of Teaching and Teachers, Extra-Curricular Activities and Co-Curricular Activities. Apart from the above, classes on Personality Development, Computer Language and Remedial Classes for all subjects are conducted which improves the quality of students.

Bag Less Teaching

The School provides a burden free environment of education with a focus on Bag Less Teaching, which is a great concept saving time and effort spent in carrying heavy bags to school.

Innovative Learning Methods

The School uses Project based Learning, Enquiry Based Learning, Teaching beyond Classroom, Stage Presentations and Participation and Discussion Method as various methods of Innovative Learning. ROBO is also a salient feature of the school. Students are very enthusiastic and keen to learn with ROBO.

Smart Classes & Wi-Fi Campus

The classrooms are at par with international standards. All classrooms are replete with modular furniture and extensive display board to ensure that students give their best of the process of learning and achievement.

Limited Seat Intake

Significant advantages are gained when children are taught in smaller class sizes with the focused attentions of a dedicated teacher and teaching assistants. Personal focus and attention is done for each child due to limited seats.

Closed Monitoring of your Child Progress

The Assessments are done through conduction of Test after each Lesson apart from the regular Term Tests and Half Yearly Examination. Our teachers make themselves available to discuss the progress of the child at any time during the term.

Library Facilities

The school library is a learning resource center in the widest sense as it houses information resources, informative & intellectual reading material and digital data. The school library fosters the development of life-long learning abilities and inculcates love for reading in student. It also provides instruction material and professional resources to teachers.

Music and Arts

Music and Art is an integral part of the curriculum. We have well-equipped music and art rooms where students are encouraged to discover and develop talents.

House System

All the students of the School are divided into four Houses. Each House is looked after by a House Master & Mistress and a team of tutors. This concept of Houses provides opportunities for better organization and healthy competitions.

Activity Rooms

A World of Fun- The activity rooms are designed to make learning more fun and exciting. Students love this room as it has many toys and educational games. The concept of the activity room is about 'Learning', through play, in a totally different environment. All games are conducted as a part of the planned educational program.

Sports Facilities

School boasts a large ground for its outdoor sports activities. Our sport and Physical Education Program focus on developing student as an individual and as a team member. Emphasis is on development of physical skills, nurturing social and emotional skills. The sports program includes sports such as Cricket, Football, Handball, Volley Ball, etc.

Medical Facilities

The school has an infirmary which has complete provision for first-aid facilities. Regular health checkup and camps are organized for student health.

Transport Facilities

Safety of each child is our utmost concern. GPS system, CCTV camera, fire extinguisher, speed governor, medical box is installed in every vehicle as per government rules. We provide bus facilities on various routes.

CCTV Monitored Campus

CCTV Monitored Campus- School ensures the safety of children by monitoring the entire campus via CCTV. This helps in monitoring and keeping track of activities taking place in the school premises and assures parents about the safety of their ward.

Lush Green Campus

Lush Green Campus- A day at Pioneer International School is an entirely different experience altogether. The picturesque site and blossoming green environment makes the campus, free from pollution. The campus is spread over 15 acres of lush green land has more than 2500 trees. The school is also easily reached by public transportation. We have well ventilated school structure with safe and hygienic indoors and outdoors

Excursions and Picnic

Excursions and Picnic- Arrangements are made for students to participate in various camps organized at scenic and historic places. Educational trips and picnics are also organized for students. Educational tours are made to develop practical orientation and insight amongst students.

Advanced Laboratories

Computer / IT Lab

The innovative computer lab is a collection of gadgets, designed so as to inculcate a scientific temper among children by covering various branches of education & learning.

Mathematics Lab

A perfect place for the children to rejoice Mathematics rather than turning into phobic. It gives all the freedom to a child to use the 3D Mathematics model to explore, experiments and understand Mathematics.

Science Lab

In the composite science lab young minds will see “how things work.” The practical experience inspires the students to be more inquisitive, imaginative and more experimentative.

English Language Lab

English language labs assists students in learning English and developing excellent communication skills- LSRW (Listening, speaking, Reading, & Writing)

Our Premises

Pre-primary Wing

The pre-primary school program at Pioneer International School comprises of Nursery, Lower and Upper Kindergarten (LKG and UKG). It is the phase of learning to learn.

The pre-primary section of Pioneer International School is focuses on the following parameters:-

- Every child in unique.
- Every child has infinite potential.
- Every child is born with innate desire to learn.
- Every child learns best through observation.
- Every child learn and constructs his/her own knowledge in multiple ways.

Primary Wing

Learning happens best when it is connected to the real world we live in. The main objective at this stage is to prepare the learner's foundation and making the child ready to take on the responsibility of being an active participant in the learning process. The Primary School Program focuses on the child's unique potential both inside and outside the classroom. We start with the octave approach from class 1 onwards.

Middle Wing

At this age, children are in a stage of intellectual and social development and they begin to connect themselves with the community in a larger sense. To cater to the needs of this age group, an integrated package of teaching, learning and assessment is delivered though the Octave approach. Students are directed towards independent learning and are guided to take on more responsibility. The main objective of this stage is to help the children make connections between the meaningful experiences in life and relate them to the courses they study.

Admission Process

From Nursery to Class X

Admission Procedure starts with registration of the student. The process begins in the month of December every year.

The admission begins in the month of January. No Admission Test is taken for Pre-Primary and Primary Class Students. Their admission is done under On the Spot Admission (OTSA)
